School of Planning and Architecture, Vijayawada (SPAV) was established in 2008 by the Ministry of Human Resource Development (MHRD), (currently Ministry of Education (MoE)), Government of India, as an autonomous institution. SPAV is a premier Centrally Funded Technical Institution (CFTI) for excellence in the fields of Planning and Architecture.

One Day National Conference on

SWARNA ANDHRA 2047: UNLOCKING ANDHRA PRADESH'S POTENTIAL THROUGH VIKSIT BHARAT INITIATIVES

Andhra Pradesh's "Swarna Andhra 2047" vision is built on achieving sustainable economic development, social equity, and environmental resilience by the time India celebrates its centenary of independence. The Union Budget 2025 presents a unique opportunity for the state to shape its future through targeted investments and strategic initiatives. Andhra Pradesh can bolster its economic foundation by leveraging the budget's focus on infrastructure, city re-development, geo-spatial mission, housing, maritime and other sectors. The state's focus on allocations to key sectors such as infrastructure development, inner areas redevelopment, urban design, informal sector, geo-spatial data and information, are crucial for long-term growth. The Union Budget's focus aligns with Andhra Pradesh's goals of enhancing the urban services and creating an investment-friendly environment. Furthermore, emphasis on sustainable urban development through the promotion of clean energy, water conservation, and waste management will play a key role in building a green and climate-resilient economy. By utilizing the provisions of the union budget, the state has the potential to foster innovation ecosystems, and improve the service delivery in urban areas. By effectively leveraging these provisions and aligning with national priorities, Andhra Pradesh will be on the path to accelerate its journey toward becoming a leading state in India's growth story. Through collaborative efforts between the central government, state leadership, and the private sector, Andhra Pradesh can set to pave the way for an inclusive and prosperous "Swarna Andhra" by 2047 and achieve the goal of "Vikasit Bharat".
